COMPANY OVERVIEW

Under the visionary leadership of Mr. Salim Mohd Hamid Al Hoqani, our Group Chairman and a pioneering first-generation entrepreneur, and Mr. Adil Salim Mohd Al Hoqani, our Group Vice Chairman, we have consistently expanded our reach and diversified our portfolio. We prioritize sustainability, community engagement, and continuous innovation.

With a wealth of experience spanning over four decades, Al Hoqani Group has evolved into one of the country's fastest-growing infrastructure enterprises. The Group's dynamic project portfolio and effective utilization of the Public-Private Partnership model uniquely positions it to spearhead state-of-the-art initiatives in sectors crucial to developmental progress.

1. Abu Nooh Trading LLC

About

Abu Nooh Trading LLC is a premier manufacturer of high-quality concrete blocks and related products. With a strong focus on innovation, quality, and customer satisfaction, we have been serving the construction industry for over 40 years. Our state-of-the-art manufacturing facility and experienced team ensure that we deliver durable and reliable products that meet the diverse needs of our clients. With an efficient logistics network, we ensure timely delivery of products to construction sites, maintaining project schedules. Our products undergo rigorous testing and quality checks to ensure compliance with industry standards and customer expectations.

Mission

Our mission is to provide superior concrete block products that contribute to the construction of safe, sustainable, and aesthetically pleasing buildings and structures. We are dedicated to supporting our clients with exceptional service, reliable delivery, and expert advice.

Vision

To be the leading supplier of concrete blocks and related products, recognized for our quality, innovation, and customer-centric approach. We aim to set the standard for excellence in the industry and to continuously evolve to meet the changing needs of the construction sector.

Products

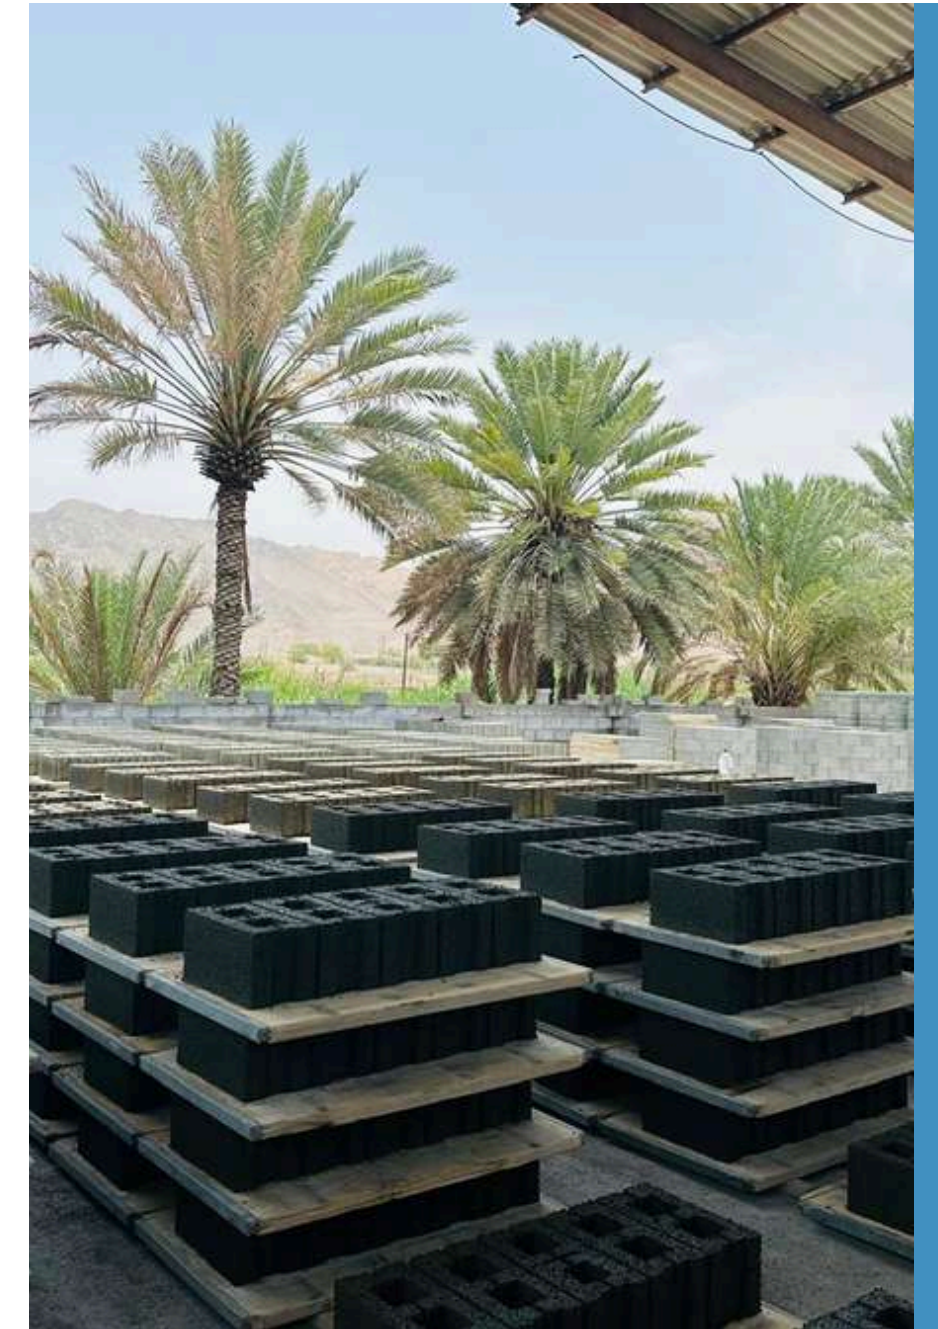

Abu Nooh Trading LLC offers a comprehensive range of concrete block products designed to meet various construction requirements. Our product lineup includes

- **Standard Concrete Blocks**

- Solid Concrete Blocks: Ideal for load-bearing applications and structural walls.
- Hollow Concrete Blocks: Perfect for non-load bearing walls, offering excellent insulation and cost-effectiveness.
- Partition Blocks: Used for interior partitions, providing sound and thermal insulation.

- **Speciality Blocks**

- Paver Blocks: Available in various sizes, shapes, and colors, perfect for driveways, pathways, and outdoor landscaping.
- Interlocking Blocks: Easy to install without mortar, ideal for retaining walls, garden borders, and erosion control.
- Lightweight Blocks : Made from lightweight aggregates, offering ease of handling and improved thermal insulation properties.
- Kerb Stone : Horizontal concrete or stone block used to edge and separate sidewalks, driveways, and roads from the adjacent landscaped or grassed areas.

- **Decorative Blocks**

- Architectural Blocks: Featuring textured finishes and unique designs for enhancing building exteriors and facades.
- Colored Blocks: Available in a range of vibrant colors to add aesthetic appeal to construction projects.

2.Nizwa Crushing LLC

About

Nizwa Crushing LLC is a leading manufacturer & Supplier of premium Quarry and Crusher Products, specializing in sand and aggregate products. With over 40 Years of experience in the construction industry, we are dedicated to providing superior materials that meet the highest standards of quality and reliability in construction sectors. Our extensive product range, combined with our commitment to customer satisfaction, has established us as a trusted partner for construction projects of all sizes. Our dedicated customer service team is committed to providing prompt and helpful responses. Our team help you to select the right materials for your project.

Mission

Our mission is to supply top-grade building materials that ensure the success and longevity of construction projects. We aim to support our customers with excellent service, reliable delivery, and expert advice, helping them achieve their construction goals efficiently and effectively.

Vision

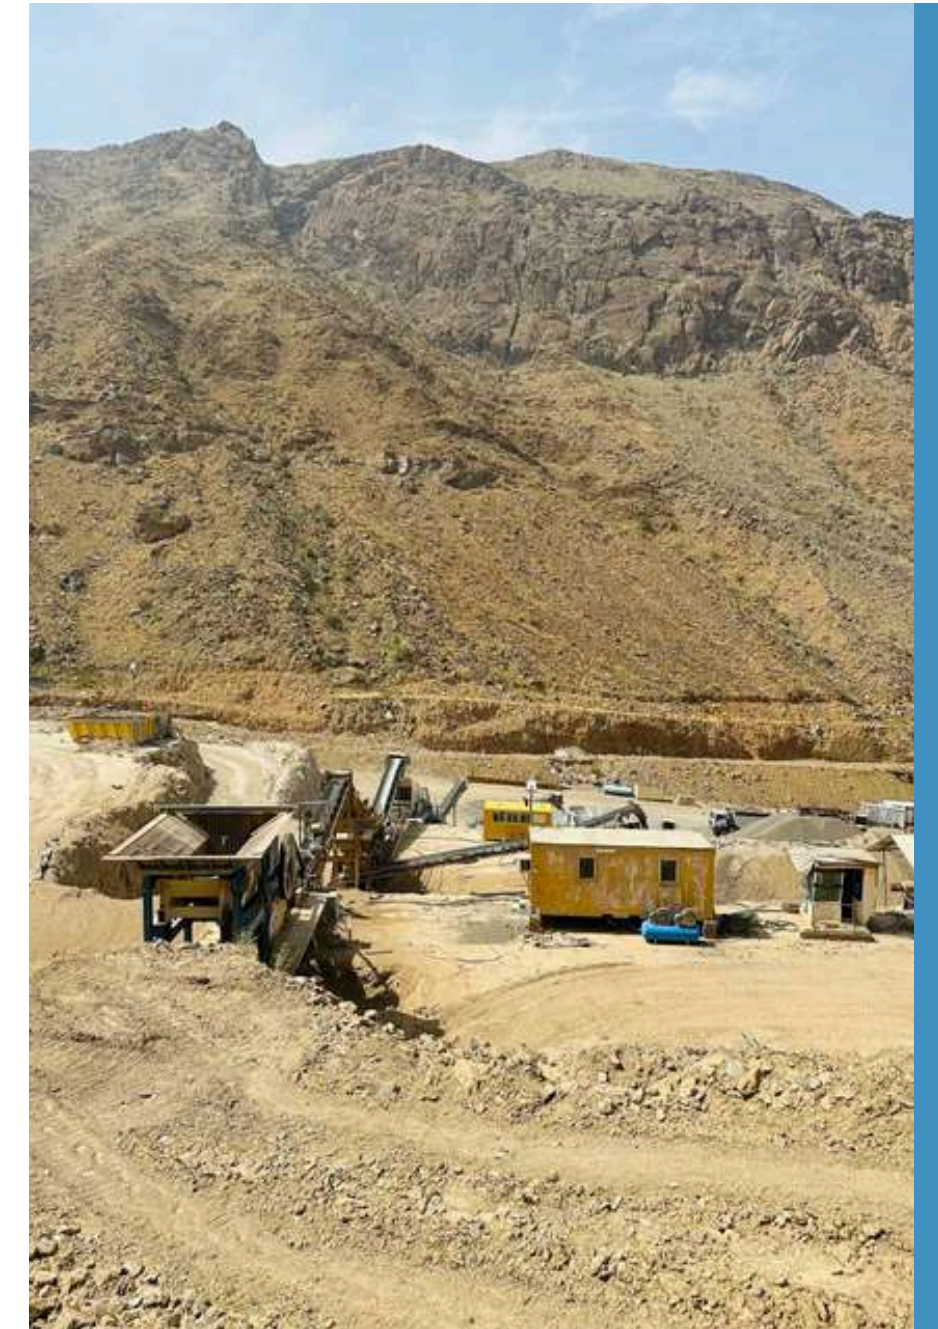

To be the leading manufacturer & Supplier of Quarry and Crusher Products, recognized for our quality, reliability, and customer-centric approach. We strive to innovate and expand our product offerings to meet the diverse needs of the construction industry.

Products

Nizwa Crushing LLC offers a comprehensive range of building materials designed to support various construction applications. Our product lineup includes:

- **Sand** : Our sand products are available in different grades and sizes, perfect for various construction needs:
 - Screened Natural Sand: Ideal for concrete mixing, brickwork, and plastering.
 - Manufactured Sand : A sustainable alternative to river sand, perfect for concrete product, ready mix concrete and construction use.
 - Plastering Sand: Finely graded sand specifically for plastering purposes, ensuring smooth and durable finishes.
- **Aggregates**
 - Crushed Aggregate : Available in various sizes for use in concrete, asphalt, and construction fill.
 - Gravel: Versatile material suitable for driveways, pathways, and as a base for construction projects.
 - Riprap: Riprap is a layer of large stones that protects soil from erosion in areas of high or concentrated flows.
 - Crushed Rock: Ideal for road construction, pathways, and as a base material for construction projects.
 - Recycled Aggregate: Environmentally friendly option made from recycled construction waste, suitable for various applications.

- **Specialty Products** - We offer tailored solutions for specific construction requirements:
 - **Decorative Stone:** Available in various colors and sizes, perfect for landscaping and aesthetic applications.
 - **Fill Materials:** Including sand, gravel, and other materials for filling and leveling construction sites.
 - **Topsoil:** High-quality soil ideal for landscaping, gardening, and turf applications.
